TWISTED MOUSE: Limping Tom Foolery: What(h)s that st(h)ory about the man who could make the bes(th) mouth twap having a path beaten to his(th) door? I catch lot(h)s of mithe in my twap. Thome are dreat big fat jui(th)y one(th) and thome are lo-o-o-ong mean one(th). Lot(h)s of people come to my door to u(th)e my mou(th) twap. I must have a pretty dood mou(th) twap. But then as Dertrude S(th)ein would (th)ey, "A mou(th) is a mou(th), is a mou(th)!!!!

AND Internal Revenue Questionnaire. Revenue Clerk: May I help compute your tax, Sir? Ward: I need help on these deductions. Can I count my contributions to the Mattachine Society of Washington as contributions to a non-profit organization or as professtional dues??!!

Art Buchwald in THE WASHINGTON POST, Nov. 21, 1965:

"When orders went out that Princess Margaret and Lord Snowdon wanted to meet only gay, young and amusing people in Washington, the job was turned over to Attorney General Nicholas Katzenbach. The reason was that the Attorney General is one of the few people who has access to the FBI files, and the FBI is the only government organization that has a complete list of all the young, gay, amusing people in the United States."
