THE INSIDER

For Members Only Page

February 1967

Meeting Notice: The next general membership meeting will be held at 8:00 p.m. on Thursday, March 9, at Saint Mark's Church, 3rd & A Streets, S.E.

Note- this meeting will not be held on the first Thursday of March; At any time after a meeting notice has gone out, we may find ourselves evicted by St. Mark's. As time progresses, this seems more and more unlikely. However, if this does happen, we will attempt to notify everyone when possible and advise them of alternate arrangements.

Interviews: The next interviews by the Executive Board are scheduled for Wednesday, March 1. If you have any friends who would like to be interviewed at this time, please notify the office.

WACRH: The Washington Area Council on Religion and the Homosexual has, after a year of dormancy, scheduled a meeting for the first Monday in March. A report will be made at the general membership meeting.

NEEDED: We've had no volunteers for obtaining advertisements for THC, for coordination of publicity outings, office assistance.

LEAFLETTERS: If you would be willing to participate in periodic handouts of MSW literature in downtown D.C. and perhaps other carefully chosen places, please notify the office. We anticipate a minimum of one handout a month during tolerable seasons if sufficient personnel are available. M.S.N.Y. made heavy use of handouts to, among other things, publicize their monthly open meetings. It could prove to be an effective tool for M.S.W.

THC: The Deadline for the April issue of THE HOMOSEXUAL CITIZEN will be Sunday, March 5. Volunteers will be needed for production activities during the following week. Interested parties contact the office.

Contribution of material for THC is always welcome. However, it is advisable to check with Lily H., the editor, before writing any copy. If you have suggestions, ideas, etc., they are always most welcomed by the staff.

BULLETIN BOARD: The Society is always appreciative for any relevant material (books, clippings, tapes, etc.) donated to the library. Many news items which go into the INSIDER and THC are posted on the office bulletin boards. We rely on the entire membership for information. So much attention is given to homosexuality these days that it is impossible for any individual to keep current with any significant portion of it.

Insider: With this issue, we have a new editor, Jim H. He will need our support and assistance in order to put together an interesting and appealing INSIDER.
