The Insider

APRIL 1967

Meeting Notice: The next general membership meeting will be held at 8:00 p.m. on Thursday, May 4 at Saint Mark's Church, 3rd & A, S.E. (Parish Hall).

TV Appearance: Vice-president Warren A. and EB Member Frank K. are scheduled to appear on Channel 14's "Controversy 14" program which now has a new moderator at 10:00 p.m. on Friday, April 14. This marks their third appearance on this show.

Panel Discussion: As announced at the April membership meeting, Frank K. will be among the panelists discussing the subject of homosexuality which is being sponsored by the Volunteers for Mental Health, a student group at the University of Maryland. This event will take place at 7:30 p.m. on Tuesday, April 18 in the Business and Public Administration Building on the University's College Park campus. The plans include psychologist, psychiatrist, lawyer, clergyman, & public prosecutor as panel members. We suggest that you allow a few minutes for parking (there are several lots in the vicinity) especially if you are not familiar with the campus.

Job Wanted: Young man seeking clerical-type job on permanent basis. Types 30/35 wpm which is adequate for many such positions. If you have any leads call 522-0671 after 6:00 p.m.

ECHO Posters: We remind you that ECHO posters of the last conference are available for \$1.00 contribution at the office. These are suitable for framing (the ~~text~~ drawing portion is easily cut out and can be framed alone - eliminating the text part).

Radio Repairmen: Again a radio has been donated to the office. To function properly, however, it requires minor repairing. Anyone with the requisite skills please come to the office Monday-Friday anytime between 6:30 and 9:00 p.m.

Tape reproduction: Anyone with facilities for reproducing tape recordings please notify the office promptly. Quite frequently the society is temporarily in possession of tapes which it would profit us to copy for retention in the library.

Insider Editor: We regret to announce that Jim H. has been unable to assume the editorship of the INSIDER and are pleased to announce that beginning with the next issue, Susan C. will assume this position.

As announced at the last membership meeting, the Executive Board exercised its Constitutional privilege and decided not to call a special election to fill the vacant Board position as it was the May term and we would be counting ballots and taking nominations for the same position at the same meeting. Below is a new ballot for the required election of May Term Executive Board Member. Use the enclosed envelope and mail by Tuesday, May 2 or bring to the meeting on May 4, where count will take place.

-----

Ballot for 1967 May Term Executive Board Member. This is a preferential ballot: place an "x" or the numeral "1" in the box before the name of your first choice candidate, etc.

Martin R.

Invalid if dues are not current.
